Learn about the amazing bees and what we can do to conserve and appreciate them in our gardens. Topics include:

- How bees use plants and what makes a good bee plant
- Designing and installing a successful bee garden
- Research and the bee garden: what’s new
- Classroom and field review of the Haven’s “Top 50” plants

Enrollment limited to 25. Registration fee of $40 includes light breakfast, snacks, course materials, a solitary bee house, and a plant for your garden.

Instructor:
Christine Casey, Ph.D., Häagen-Dazs Honey Bee Haven
